

Northwest Arkansas
LULAC Annual GALA
September 20, 2025

We are requesting that your organization make an investment at the greatest level possible to provide the most significant impact on education programs for students from NWA school districts. LNESCS's primary function is to provide educational programs for Hispanics and other youth in need.

Your sponsorship investment will include:

- **Tax Benefits:** All donations to the non-profit LULAC Education Fund are tax deductible
- **Recognition and publicity** of your sponsorship prior to and during our gala event

The Funds raised by local LULAC Councils are matched by corporate partners secured through LNESCS (LULAC National Education Service Centers) to increase the amount given in both the council and local funds.

Former recipients of LNSF scholarships are now leaders in fields of business, science, government, and education.
